

## **Es Castell: Route Description from Palma Airport**

We are about 45 minutes away from Palma Airport.

As you come out of the airport:

Follow signs for Palma to get onto the motorway.

6 kms      **Exit 3, direction “Via Cintura”**

8 kms      **Exit 3B Inca/Port de Alcudia**, on the “MA-13”. Drive on this motorway for about 20 minutes until you get to Inca.

36 kms      **Exit 27**, direction Inca, Selva, Lluc. This is the second exit signed for Inca. Turn left at the roundabout on the motorway exit, straight ahead at the second roundabout (with the big steel “shopping bag” sculpture in the middle), then at the third roundabout take the first exit right, direction Lluc

37 kms      **At the next roundabout take 3<sup>rd</sup> exit out left** into Inca, signed Lluc and Selva, past a new car park/ plaça on your left. Follow road until end, turn **left and immediately right** for Lluc & Selva on PM 213.

39 Kms      Pass Petrol Station on right and glass building on left. Follow road into Selva. Look for sharp left bend going up the hill in Selva.

42kms      Immediately after bend turn right signed Es Castell, towards Moscari (if you pass leather factory on left you have missed the turn!)  
Always follow signs for Es Castell or Hotel Binibona or Can Furios, which are all in the same village: Binibona.

43kms      Sharp left, then right.

45 kms      When. you enter the village of Binibona, our road is the small one hidden just to the right of Hotel Binibona (which is the big building in front of you). Don't worry you are not far away and if you look straight ahead at the big hill you can see Es Castell halfway up! This last road is a narrow winding road over three cattle grids. Don't worry, you are in the right place! If you get lost, give us a ring on 971 875 154
